

# Short Range Transit Plan

### Final Presentation

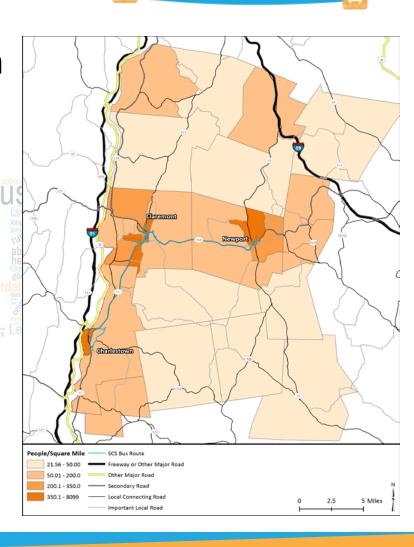

### **AGENDA**

- Market Analysis
- **Existing Services**
- **Unmet Transportation Needs**
- Alternative Development
- Preferred Alternative
- Capital Plan
- Financial Plan

## Demographics

- 50% of the population live in Claremont, Newport or Charlestown
- 10.3% households in Claremont have 0 vehicles available
- Claremont & Charlestown have higher poverty levels
- Newport has a higher percent of disabled persons

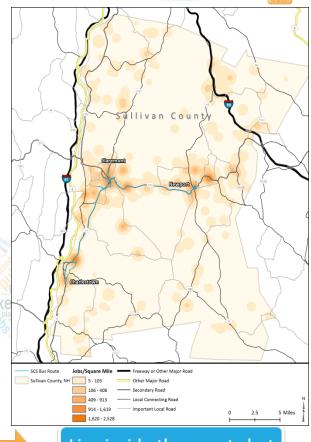

**Employment & Travel Patterns** 

- Net exporter of workforce
- Job clusters (79% jobs) in Claremont, Newport and Charlestown
- 10 Employers with 100+employees

Live outside the county but work in it = 5,475

Live and work in Sullivan County = 8,030

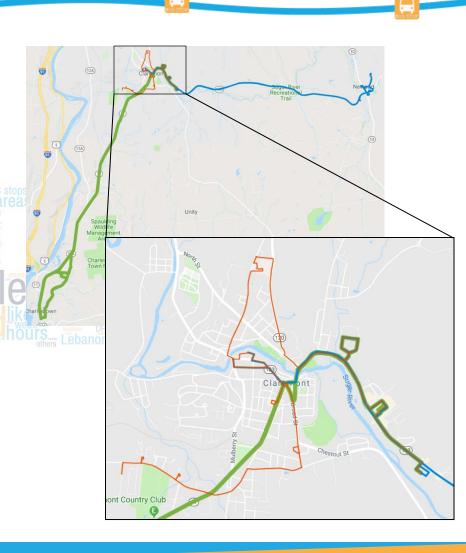

Live inside the county but work outside = 11,916

### **SCT Overview**

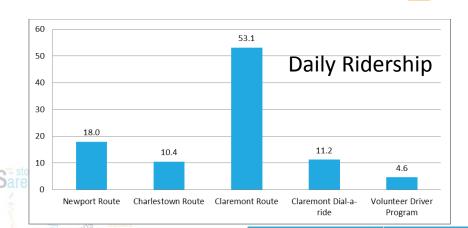

- Sullivan County with focus in Claremont, Newport, & Charlestown
- Three deviated fixed routes, Dial-a-Ride, volunteer driver program
- Service Mon-Fri 6:30
   AM to 5:00 PM
- Fare = \$1.50-\$2.50

## Ridership & Route Diagnostics

- 22,984 passengers per year, nearly 100 daily
- Top destinations:
  - Walmart
  - Market Basket
  - Sugar River Mills
  - Marion Philipselderly
  - Opera House Square
- Claremont Route is the most efficient
- The Charlestown and Newport Routes have available capacity

Passengers/

Rev. Mile

### **Outreach Events**

- Mobility Visioning Workshops 13 attendees
- Chamber of Commerce Workshop 8 attendees
- Community Survey 79 responses
- Rider Survey— 11 responses
- Driver Survey—5 responses

### **Desired Improvements**

#### **Local Improvements**

- Expanded service hours
- Weekend service
- More efficient route design & timing
- Easy to read and color coded schedules
- Route maps

### **Regional Connections**

- Lebanon/Upper Valley
- Keene, Concord,

  New London,

  Sunapee
- Vermont
- Amtrak
- Other communities in Sullivan County

#### **Amenities**

- Benches at bus stops
- Bus stop sign visibility from distance
- Improved lighting
- "Next Bus" arrival signs at stops
- Mobile fare payment

### Alternative Development

#### **Short-Term**

Implement immediately

#### Mid-Term

Build partnerships to acquire additional funding for implementation

#### Long-Term

Ideal level-of service, requires additional vehicles and significant annual funding support

### **Short-Term Alternatives**

10

#### Developed 3 "packages" of short-term options

#### Option 1

- Bi-directional service with clockface schedules
- Extended hours
- Combine the Newport and Charlestown Routes and reduce Newport to five trips daily
- Convert Newport to ondemand zone
- Limited medical trips to VA and DHMC

4/12/2019

#### Option 2

- Bi-directional service with clockface schedules
- Extended hours
- Additional Newport and Charlestown service
- Timed transfers

#### Option 3

- Loop service
- Increase trips to Charlestown
- Service Rugers
- Scheduled service to Claremont Arms
- Clockface schedules
- Add additional Charlestown trip

- Developed packages of options
- 2. Scored packages based on outreach findings/priorities
- 3. Pulled the best elements of each to create the preferred alternative

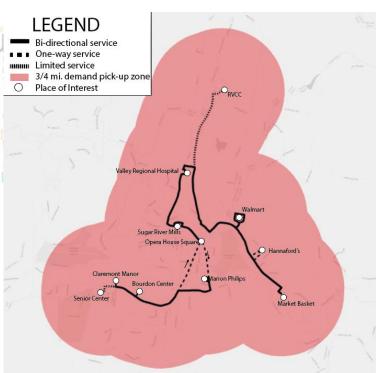

### PREFERRED ALTERNATIVE

### **Claremont Route**

- Service extended to 6:40 PM
- Bi-directional service
- Clockface service every 90 minutes (7 trips daily)
- 5 trips to RVCC daily
- Improved timing between stops
- Route deviation extended to 3/4 mile

### **Newport Route**

#### **Improvements**

- Service along Washington
   St. on all trips
- Bi-directional service ableaccess
- Service extended to Ruger on select trips
- 6 trips daily, service every 2 hours

 Connections with the Charlestown Bus

- Improved timing between stops
- Route deviation extended to

### Charlestown Route

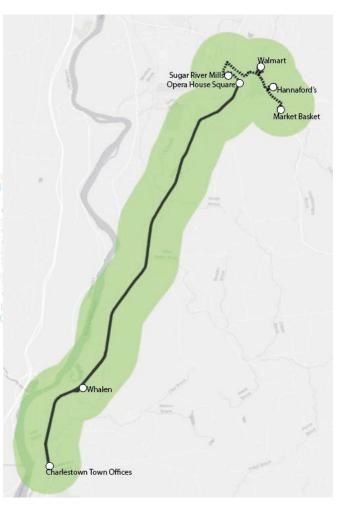

#### **Improvement**

- Bi-directional service
- Expanded to 4 trips daily
- Scheduled transfers with the Newport and Claremont bus to access Washington Street
- Only serve Old Claremont Rd. and Lovers Lane in Charlestown ondemand
- Improved timing between stops
- Route deviation extended to 3/4 mile

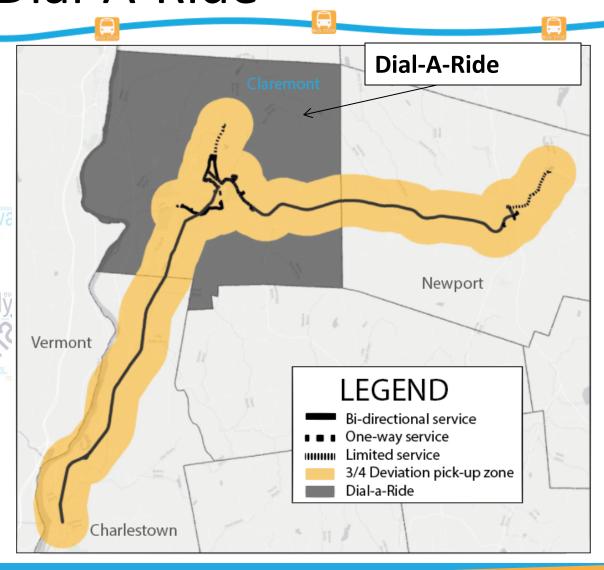

### Dial-A-Ride

Anywhere in Claremont outside of 34 mile of a bus route

**New Hours:** 

10:15 AM- Noon

1:30 PM- 3:00 PM

### Mid-Term Options

- Taxi subsidy for after-hours or weekends if scheduled in advance through dispatch
- Begin service on the Claremont Route at 7 AM
- Extend service on the Claremont Route to 8 PM
- Extend service on the Newport Route to 7:30 PM
- Implement the Route 120 Bus Service to Lebanon/Dartmouth-Hitchcock (3 trips daily)
- Extend service to River Road
- Expand Dial-A-Ride to 8 hours daily in Claremont

### **Long-Term Options**

- Add weekend service: 6 trips on the Claremont Route,
   5 on the Newport Route, 4 on the Charlestown Route
- Improve Claremont Route between 8 AM and 4 PM by operating service every 45 minutes
- Extend Dial-a-Ride to all of Sullivan County where the bus routes do not operate
- Provide trips once a week to Keene and Concord
- Add an evening trip to the Charlestown Route

4/12/2019

Extend Newport service to Sunapee on select trips

### **Amenities**

#### **Short-Term**

- Route maps
- Bus stop signs
- Easy to read color-coded schedules
- Formal bus stops with signs
- Shelters and benches where warranted

#### Mid-Term

- Work with municipalities to improve lighting at stops
- Look into mobile fare payment

### Long-Term

- Install "Next Bus" arrival signs at major stops
- Develop a real-time bus location app

### Bus Stop Improvement

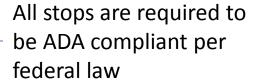

#### **Process**

**Determine ADA** Compliance

Three phases for installation (short-, mid-, and long-range)

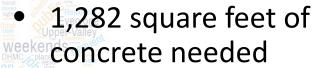

Process depends on who owns the land and the community in which the stop is located

Obtain contractor - call Dig Safe - perform work inspect work

Maintenance

Outlines roles and

responsibilities

Hub at RVCC and the **Newport Senior** Center

## Other Capital Items

- 6 new vehicles to support service improvements in mid- and long-term phases
- New facility with covered storage and more office space
- Study to evaluate fare structure
- Study to determine feasibility of service to Sunapee

### Operating and Capital Costs by Phase

|  | Short-Term                 | Mid-Term          | Long-Term |
|--|----------------------------|-------------------|-----------|
| Additional<br>Annual<br>Operations<br>Cost | \$19,000                   | \$408,000         | \$667,000 |
|  | community Work families of | weekends weekends |           |

|                          | Short-Term | Mid-Term    | Long-Term |
|--------------------------|------------|-------------|-----------|
| One-Time<br>Capital Cost | \$125,750  | \$1,827,700 | \$379,700 |

## **Funding Sources**

- FTA 5310 enhanced mobility (C&O)
- FTA 5311- rural transit (C&O)
- FTA 5339 bus & facilities (C)
- BUILD Grant (C)
- Access & Mobility
   Partnership Grants (C)

#### State

- Community
   Development Block
   Grants Low
   Income Areas(C)
- State AID Highway Class III roads (C)
- Transportation
   Alternative Program
   (C)

#### **Non-Traditional**

- Safe Routes to School – within 2 miles of a K-8 school (C)
- AARP Community
   Grant Challenge (C)
- Northern Border Grant (C)

C = Capital funds

O= Operating funds

### **Next Steps**

#### **Service Changes**

- Create public schedules and maps
- Get the word out about theess changes
- Train drivers on new schedules
- Start operating improved service

#### **Infrastructure Improvements**

- Finalize bus stop sign design
- Obtain stop permissions
   and install signs
- Pour concrete and install
   shelters and benches

Identify partners and additional sources of funding to continue improvements
