

SAVE THE DATE—MAY 21, 2013— WETLANDS PROJECT MEETING

SPRINGFIELD WETLANDS PROJECT PUBLIC MEETING - MAY 21, 7:00 PM

TOWN MEETING HOUSE, 4 CORNERS ROAD, SPRINGFIELD, NH

SPRINGFIELD WETLANDS PROJECT

Springfield's sense of community and sense of place is closely tied to the land and its natural areas. The Springfield Planning Board invites you to participate in the first public meeting to discuss how the town's land use regulations can both protect important natural resources and landowner rights to use their land.

Share your thoughts on:

- ◆ The importance of conserving natural resources
- ◆ Mapping high-value wetlands and vernal pools
- ◆ Simplifying administration of wetland regulations with easy to use standards
- ◆ Developing regulations to integrate wetland maps into land use regulations
- ◆ Protecting local water supplies for people, wildlife, and recreation

Don't miss out on a chance for your voice to be heard.
