## Land Use/Land Cover - Eastman Shoreline

Land Use Class	Acres	Percent
Fields/Cleared	3	2%
Forested (includes wetlands)	88	51%
Institutional	3	2%
High-Density Residential	41	24%
Medium-Density Residential	31	18%
Transportation	6	3%
<b>All Land Uses</b>	<b>172</b>	

\* Land within 250 ft of Eastman Lake incl. islands

Land use classification developed from 2008 National Agricultural Imagery Program photography, 1:12,000 scale, checked against Enfield and Grantham town GIS data. Building footprints from Enfield, 2007, and Grantham, 2008. Waterbody data from New Hampshire Hydrography Dataset, 2006, 1:24,000 scale. Watershed boundary developed from USGS 7.5-min topographic maps, 1:24,000 scale.
